She turned professional in 1970, and is working on her last two figure tests to become a gold medalist. Terrie is a native Sacramentan, having attended local schools, graduating from Norte Del Rio High School. There she was honored as outstanding girl student and top girl athlete. "I would like to thank everyone for the opportunity of directing and working with the enthusiastic and great members of the Capital City Figure Skating Club to help make our show the success it will be. "SYMPHONY ON ICE'75 is my second show, and the experiences we have shared will be remembered with fondness."
